9:00 AM Mass: Lectors, please do not approach the altar to read until the children are led out for their liturgy.

If you are not available on the assigned day, you must get a substitute. A one-time email can be sent to the appropriate distribution list, commentator or lector, with information on how to contact you (phone/e-mail), however it is your responsibility to confirm the substitution. Thank you for your dedication to these ministries.
